Summer Volleyball League

- Ball may be contacted by any part of the body. Use of head, fist, and feet are permissible.
 - Ball cannot be contacted twice in succession by the same player; however, simultaneous contacts by more than one player on same team are allowed and are considered as one play. Players participating in such simultaneous contact may participate in the next play.
-

- Simultaneous contact by players on opposing teams also permit players involved to participate in next play; however, if this results in ball being shortly held it is a double fault and played over.
- When players on opposing teams commit fouls simultaneously, it is a double foul and played over. Points are not scored on a double foul.
- Touching net at any time is a foul, except when a hard driven spike forces net into a player while he/she is on his/her side of the court. Any player that touches the net after spiking a ball, the play will be called a side out.
- A player may reach over the net while blocking or in follow-through of a hit ball, but cannot reach over net in attempt to intercept ball until opponent has completed attack. Thus, a spiked ball cannot be blocked until it has been hit.
- A player may step on the centerline but not on the floor in the opponents' court. Any part of a player's body may be in the air below the net and beyond the centerline if he/she does not interfere with opponents play by either touching ball or opponent.
- Three hits maximum each side; except when ball touches blockers hand(s) (three more hits are legal).
- A player cannot attack or block the ball directly off the serve.
- A player rotating off the front row must wait three rotations before returning to the front row.

III. Sportsmanship

- The mission of the Sonny's place staff is to provide a recreational environment for the community that is safe and enjoyable. While the game atmosphere is often competitive, ensuring participant safety, providing a fun, social atmosphere, and promoting sportsmanlike behavior among participants, spectators, and team followers are our primary concerns. The game atmosphere should remain good-natured at all times. Participants shall maintain good sportsmanship throughout their participation in all facets of the recreational grounds.
